About Candidate Billie Helean

Billie Helean is a proud mom and dedicated teacher in Rio Rancho who believes that raising the next generation of New Mexicans to be successful requires strong families, good schools, and safe communities. Billie and her husband Kevin understand the challenges faced by hard working families—because that's what they are. As New Mexicans, we deserve a leader who is committed to ensuring that everyone has the opportunity to succeed and thrive. Billie is offering a new kind of leadership for District 57 – let's get it done, together!
