

**DPSC's MLK Day of Service
January 16, 2023
Helping Migrants at the Border**

News outlets rarely show the human faces of the young families fleeing their homelands to seek a safe and secure life for their children.

El Paso/Juarez is filled with young families not only from Mexico and Central and South America, but also from the Middle East, Africa, and the Caribbean. They urgently need our help to care for their infants and toddlers.

WILL YOU PLEASE HELP US PROVIDE DIAPERS SIZE 3,4,5 AND 6, BABY WIPES, PLASTIC BABY BOTTLES, AND BABY FORMULA?

Thank you for your caring, compassionate generosity!
