

The Democratic Party of Sandoval County requests all registered Democrats in Sandoval County to participate in organizing the County Democratic Party for 2023-2025. Winning elections in the county start with these first steps in organizing precinct, ward, and county party leadership.

Participation is open to all voters who have registered as Democrats at least one- month prior to the start of the Ward/Precinct meetings on March 11, 12, or 18. The County Central Committee will meet March 25. You must register in advance of your meeting. Once meetings begin, registration to vote will be closed. This is because we must verify that you have been a registered democrat thirty days prior to your ward meeting.

You will need to determine your correct precinct and ward to assure participation in the correct meeting. All meetings will occur remotely using Zoom, and participants may log into their meetings using the appropriate Zoom link:

These virtual meetings will remove the need to travel outside your home to attend. All voting will also be absentee. Registration links will follow, so please watch your email and our website for registration information.

**How to Find Your Precinct Number**

You may determine the status of your voter registration, including the number of the precinct where you reside by checking your voter information card. You may also ascertain your precinct information by going to the New Mexico Secretary of State [voter portal](#) where you enter your name, date of birth and county of residence to access all your voter information, including the precinct of your residence.

Once you know your precinct number you will need to check the ward that encompasses your residence. Since Wards are Democratic Party creations, rather than State creations, you will need to use your Precinct Number to locate the proper Ward.

If you have any questions, please contact Alex Piland at 505-350-6590 or [chair@sandovaldemocrats.org](mailto:chair@sandovaldemocrats.org)

We are looking forward to seeing you virtually on March 11, 12, or 18.

The County Central Committee will meet virtually on March 25.
